Fall 2011

Dear Colgate Parent:

On behalf of the Hamilton Fire Department, the members of the Fountain Fire Company #1 (FFC#1) invite you to participate in our fall 2011 Food for Thought program. Each semester, just prior to final exams at Colgate, we sponsor this popular program aimed at delivering care packages of food to Colgate students. Thousands of parents have sent their sons and daughters our well-known package of study-time energy treats in the twenty-four years we have offered this service.

Food for Thought is not a commercial mail-order product. We personally purchase the contents locally and assemble the packages in-house. The standard "high-energy" package has more than twenty items, including juices, nuts, pretzels, granola bars, several snack packs, cookies, cereal, and more. We also offer a "low sugar" package, which contains items reduced in sugar and fat and is available upon request.

The Hamilton Fire Department (HFD) is an all-volunteer organization, providing fire and rescue services to Colgate University, the Village of Hamilton, and several surrounding communities. The Hamilton Fire Department is staffed by FFC#1's men and women from the Hamilton community - including many Colgate students. These well trained, highly motivated and professional individuals spend countless hours training and responding to emergencies on campus and in our fire protection district. Additionally, FFC#1 provides tools, equipment, and financial support to the HFD.

In January 2010, the Hamilton Fire Department took delivery of a new Pierce heavy rescue truck. FFC#1 has contributed nearly \$100,000.00 toward the vehicle and the specialized equipment carried on the truck. Tools, such as the state of the art hydraulic rescue tools "jaws of life," were purchased with funds from contributions and fund-raising programs like our "Food for Thought." To learn more about our department and upcoming events, or to download a copy of the "Food for Thought" order form, please visit our website at www.hamiltonfd.org.

To participate in the fall 2011 "Food for Thought" program, please return the enclosed order card with a check for \$27 for each package ordered, payable to "Fountain Fire Company #1." **Our deadline for receiving these orders to guarantee delivery to your student is Wednesday, November 16, 2011.** Your student's package(s) will be delivered personally by our volunteers to his/her residence on **Wednesday, December 7, 2011, between 6 and 9 p.m.** If your son or daughter, or their roommate, is unavailable to receive the package, we will send an e-mail notification with instructions for alternate delivery arrangements.

If this is your first invitation to participate in our "Food for Thought," we hope your student will enjoy his or her Colgate experience. If your student is returning to Colgate, we hope that his or her time on campus has been fruitful and enjoyable.

We thank you for your interest and support of the safety of Colgate and our community.

Sincerely,

Food for Thought Committee
